

PLANT VARIETIES RIGHTS 2024 summary

Source: UIBM

During 2024, 13 applications for new plant varieties rights were submitted, showing an increase compared to the previous year. Of these, 10 were received via the online platform, while the remaining 3 were filed via the Chambers of Commerce, Industry, Handcrafts and Agriculture (CCIAA). No final orders were issued during the year regarding the granting of plant varieties rights.

Geographical distribution of applications in 2024*

**The geographical distribution was made based on the ISTAT breakdown of national geographical areas. The same applications may have more applicants from different regions.*

59% of the applicants for new plant varieties came from north-eastern Italy, mainly from Veneto. 3 of the applicants were resident in Sicily and the islands. The remaining percentage of applicants were resident abroad.
